

Your card will be automatically enrolled in the free MasterCard Automatic Billing Updater (ABU) service. With ABU, your account files will be updated when information changes because of a product upgrade, card expiration, loss or theft, account closure or other changes. A participating merchant can access that updated card information before requesting a payment. Since not all merchants participate, you should also contact the merchants directly if your card information changes. You are entitled to opt out of this service. You may opt out at any time.

If you want to opt out, phone us at (888) 828-1690 or mail us notice of your intention to opt out. You can use the opt-out election below. Cut it off and mail it to us at Bank of Canton, attn.: Deposit Operations, P.O. Box 282, Canton, MA 02021. If you opt out, you may opt back in if you decide you want the Automatic Billing Updater service in the future. You may opt in the same ways that you can opt out.
