

Bank of Canton Alerts Terms and Conditions

Alerts. Your enrollment in Bank of Canton Online Banking and/or Mobile Banking (the “**Service**”) includes enrollment to receive transaction alerts and notifications (“**Alerts**”). Alerts are electronic notices from us that contain transactional information about your Bank of Canton account(s). Alerts are provided within the following categories:

- **Mandatory Alerts** provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.
- **Account Alerts** provide you with notification of important account activities or when certain changes are made to your Service accounts, such as **scheduled payments made, scheduled payments cancelled and mobile deposits**. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.
- **Additional Alerts** must be activated by you to be enabled. These Additional Alerts can be accessed from the Manage Alerts menu within Bank of Canton Online Banking and Alerts menu within Bank of Canton Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. Bank of Canton reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“**EndPoints**”): (a) a mobile device, by text message, (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your **Bank of Canton Online Banking message in-box**, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device's number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, **text "STOP" to 99588 at anytime**. Alerts sent to your primary email address will be unaffected by this action. To restore Alerts on your mobile phone, just visit the Alerts tab in Bank of Canton Online Banking and click the box next to your mobile number for the Alerts you'd like to receive again. For help with SMS text alerts, text “HELP” to 99588. In case of questions please contact customer service at 888-828-1690. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, MetroPCS.

Limitations. Bank of Canton provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside Bank of Canton's control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Bank of Canton, its directors, officers, employees, agents, and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.
